

2003

Lower Division

Sixty-eight teams registered for the lower division of the third statewide Battle of the Books' competition. Participating teams received the competition questions over email and had a half hour to answer the questions. Responses were sent back in to be scored. The first, second, and third place teams will receive a plaque at the WEMA convention to be displayed in their school.

Due to ties and the tiebreaking process this year, the top score was 402 points.

CONGRATULATIONS TO THESE EXCELLENT READERS!
