

2004

Senior (grades 8 – 12)

Twenty-one teams participated the **first** statewide Battle of the Books' High School competition. Participating teams received the competition questions over email and had a half hour to answer the questions. Responses were sent back in to be scored. The first, second, and third place teams will receive a plaque at the WEMA convention to be displayed in their school.

Scores ranged from a low of 60 points to a high of 360.

Congratulations to these fine readers!
